Transfer Options

This emphasis is not currently a part of the Tennessee Transfer Pathway which is part of the *"The Complete College Act of 2010"*, and therefore; it may not be fully transferable. Since general education and major requirements vary from one transfer institution to another, it is essential that transfer students decide on a transfer institution as soon as possible and refer to the major requirements in that institution's catalog when planning a program of study. The requirements of the emphasis may be modified upon request to meet the requirements in that major at a specific transfer college or university.

Articulation agreements exist between other private and non-TN public institutions. These agreements are available at *www.columbiastate.edu/admissions/transfer-information.*
